WAVESKI SURFING AUSTRALIA

Qualifier Series 2017

The points system works as follows: The surfer's best three out of six competition results in the lead up to the Australian Open event are combined. This total score then forms your seeding at the Australian Open. At the conclusion of the 2017 competition season, those top three results are then combined with the points you earned at the Australian Open, to give the 2017 Championship Points total. The surfer with the highest points - wins!
